

Statement of Directors' responsibilities

In respect of the preparation of the financial statements

The following statement, which should be read in conjunction with the statement of auditor's responsibilities included in their report below, is made with a view to distinguishing for shareholders the respective responsibilities of the Directors and auditors in relation to the financial statements. Company law requires the Directors to prepare financial statements for each financial period which give a true and fair view of the state of affairs of the Company and of the Group and of the profit or loss for that period. In preparing those financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company and the Group will continue in business.

The Directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the Group and to prevent and detect fraud and other irregularities.

Independent auditor's report

To the members of International Power plc

We have audited the financial statements on pages 42 to 69 which have been prepared under the historical cost convention and the accounting policies set out on pages 46 to 47.

Respective responsibilities of Directors and auditors

The Directors are responsible for preparing the *Annual Report*. As described above this includes the responsibility for preparing the financial statements in accordance with applicable UK law and Accounting Standards. Our responsibilities, as independent auditors, are established in the UK by statute, the Auditing Practices Board, the Listing Rules of the Financial Services Authority and by our profession's ethical guidance.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the Directors' report is not consistent with the financial statements, if the Company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law or the Listing Rules regarding Directors' remuneration and transactions with the Group is not disclosed.

We review whether the statement on page 24 reflects the Company's compliance with the seven provisions of the Combined Code specified for our review by the Listing Rules and we report if it does not. We are not required to consider whether the Board's statements on internal control cover all risks and controls, or form an opinion on the effectiveness of the Group's corporate governance procedures or its risk and control procedures.

We read the other information contained in the *Annual Report*, including the corporate governance statement, and consider whether it is consistent with the audited financial statements. We consider the implications for our report if we become aware of any apparent misstatements or material inconsistencies with the financial statements.

Basis of audit opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the Directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the Group's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of affairs of the Company and the Group as at 31 December 2001 and of the profit of the Group for the year then ended and have been properly prepared in accordance with the Companies Act 1985.
